

## What to Bring or Purchase on Arrival for Middle School

- *Beach Items:* A swim suit, beach towel, beach footwear, and goggles or snorkeling gear (fins, mask, snorkel) are essential items for having fun and enjoying our island lifestyle.
- *Bathroom Towels:* Two are required.
- *Bed/Desk Lamp:* Rooms have a central ceiling light and, in most rooms, lighting over the desk area. A bedside lamp is recommended for reading in bed. A night light is recommended for the bathroom or for students who are sensitive to darkness (please use a low voltage bulb).
- *Bedding:* Mattress pad, twin sheets, a pillow case, blankets, comforter, or bedspread—it can get cold at night.
- *Clock/Watch:* An alarm clock and watch are essential.
- *Formal/Aloha Dinner Attire (required):* Formal dinner dress includes dresses, skirts and blouses, or slack ensembles for girls. No bare midriffs or backless, strapless, or spaghetti strap attire. A suit or sport coat with dress slacks and dress shirt with a tasteful necktie are required for boys. Dress shoes also are required. During aloha dinner, boys wear aloha shirts, slacks, and dress shoes. Girls may wear Hawaiian-printed dresses (including mu'u mu'u), or Hawaiian-printed blouses, slacks, skirts, dresses, and shoes or sandals.
- *Hangers:* Plastic or plastic-coated wire hangers are recommended because of humidity.
- *Laundry Supplies:* Detergent, cleaning supplies, laundry basket or laundry bag (please mark and label). Washers and dryers are supplied at no cost; detergent and cleaning supplies are the responsibility of the student.
- *Padlock:* A drawer that can be secured by a padlock is provided in each student's room. Students are not encouraged to keep more than \$40 or expensive jewelry in their rooms. If students have a great deal of cash, they should ask the Village Campus Office to hold it for them and obtain allowance in installments twice a week. The DRL collects passports, I-20s, and airline tickets from students upon arrival to be placed in the Accounting Office safe of the Upper School.

## Prohibited Items

- Prohibited items include, but are not limited to, the following:
- *Drugs* such as tobacco, alcoholic beverages, stimulants, depressants, or any associated drug paraphernalia.
- *Flammable items* such as matches, candles, incense, mosquito coils, Christmas lights, etc.
- *Fireworks:* the use of fireworks is strictly forbidden.
- *Weapons:* guns, knives, martial arts equipment, etc.
- *School keys:* possession of school keys other than to one's own room is prohibited.
- *Pornographic materials:* i.e., posters, magazines, videos, computer disks, etc.
- *Music or electronic games* with violent or sexually inappropriate content.
- If there is reason to believe that any of the above-mentioned items (or other equipment or materials not belonging to the student) is being kept in student's rooms, the school's authorities may search the student's room or conduct a search of all student rooms. Generally, such searches are conducted in the student's presence. However, the school reserves the right to search a room whether or not a student is present. All searches will be authorized by the DRL or principal.
