

What's Happening at HPA This Week?

- LOWER SCHOOL
- MIDDLE SCHOOL
- UPPER SCHOOL
- ALL-SCHOOL

Message from the Head of School

Aloha HPA 'ohana,

Happy Earth Day everyone!

Like most days in my work, I easily find inspiration in our students. This week is a prime example. With our independent Capstone presentations in K-5 last week and 6-8 this week, it is clear that our students are thinking critically about how to make our school, community, and world more sustainable. Their spirit and ingenuity comes through loud and clear on a day like today. With several learning excursions taking place around the island, targeted lessons on sustainability and environmental health and preservation, and student clubs raising awareness and taking action in all three divisions—we are living our commitment to sustainability.

Our **Mālama Kālāulu model** is present and living in our curriculum, our conversations, and our actions. It was great to learn that our HAIS/WASC visiting committee recognized this in their visit last week, citing evidence of a strong commitment to place-based, experiential, project-based learning, and traditions of Hawai'i, strong alignment across divisions through the Capstone Program, a **Sustainability Plan** that drives future campus master planning efforts, beautiful campuses with an abundance of outdoor space and creative outdoor learning spaces, and a pervasive sentiment that HPA is a safe and inclusive place to work and learn. We are very proud of this and look forward to building on this momentum!

Our systems, many of them student-driven, are beginning to grow and sustain. As we continue to balance traditional curriculum with culminating Capstone projects, students are exhibiting well-rounded learning of both depth and breadth. It is so fun to see this work develop from conversations, research, and development that took place here with our people ten to twelve years ago. Our **carbon net zero** promise by 2030 is another example of our commitment to do our part. We are a work in progress, and that too is inspiring.

Have a safe and joyful weekend!

Gratefully,

Fred Wawner
Interim Head of School

Lower School

From the desk of your Division Principal, Dora Kwong

Aloha Lower School families! Do you remember the last time you successfully baked a cake? Or the first time you rode a bike? How about when you mastered long division? I would bet that your ability to learn these things involved actually doing them. Perhaps falling a few times, tweaking your actions and methods, until finally you felt the satisfaction of completion. Here at the Lower School, the core of our teaching and learning program is built upon the idea that students learn best when they DO. When they have hands-on experiences to connect to the lessons and theories a learner reads and hears. That understanding is solidified through action in real world situations, through project creation, and through the inquiry process. It is further underscored through reflection, process evaluation, and shared celebration.

This week's experiential learning in K-5 classes encompassed many of these elements, with all of our learning in different stages, but with each child given the experience and opportunity to live and breathe learning goals by DOING. Whether in literacy, mathematics, art, science or interdisciplinary work, experiential learning takes many forms. Starting with our youngest learners, kindergarten students took their first class field trip to our bountiful Upper School garden, and visited our Energy Lab, talking all things sustainability with Uncle Willie and Mr. McKenna. They continued to strengthen their love of the earth and build their connection to our 'āina, learning about local trees and plants. Our 1st-grade class wrapped up their writing unit, with students "publishing" their writing, as real authors do, active participants in the editing and revising process, until their pieces were complete, and now proudly hung in the class for all to share. Our 2nd graders project work with landforms continued on with the next step of painting their clay creations, adding color to their thoughtful maps. They experienced a setback with the clay they first used, adding to their experience and understanding of process and how to move forward, to try, and try again.

Grades 3-5 took their experiential learning off campus today, with third graders hiking Kipuka Pu'u Huluhulu. This was a chance to apply their most recent work with native birds and plants such as, koa, 'ohi'a, pilo (a member of the coffee family), pukiawe, 'ohelo, 'a'ali'i, naio, māmane, 'akala (the native raspberry), kūkaenēnē, and 'iliali (the native sandalwood) — one of the rarest trees in the kipuka. Our 4th and 5th-graders participated in Bioblitz, at the Pu'u Wa'awa'a 'Ohia Trail, to engage in hands-on activities related to the culture and science of our 'āina and dryland forests. Bioblitz events, in which students focus on finding and identifying as many species as possible in a specific area over a short period of time, happen all around the world. It is an opportunity to enable our young scientists to have profound experiences in the natural world and to connect with the biodiversity of our 'āina. We are grateful to be a part of this year's Bioblitz, organized by Teaching Change from the University of Hawai'i - Hilo, in celebration of Earth Day!

To wrap up this week's experiential learning, we look forward to connecting with our families at today's first annual Village Campus Sustainable Earth Day picnic. Mahalo for all the donations for our clothing swap, as we work together to make our island, and planet, more sustainable, one action at a time.

Enjoy your weekend, Lower School 'ohana!

With aloha,
Dora Kwong
Lower School Principal

Schedule

Our K-5 classes continue with in-person instruction on our Village Campus on Monday, April 25.

Coming Up

- Sunday, April 24, 9-11 am: Keiki Triathlon, Upper Campus. Check Seesaw for grade level start times
- Wednesday, April 27: Early release for Lower and Middle School students
- Wednesday, April 27, 3:30 - 5:30 pm: Grades 5 - 8 Movie Night at GPAC
- Friday, May 13: K-5 May Day performance, GPAC (no After School program).
- Wednesday, May 18: Last day of classes

We encourage all families to check the [School Calendar](#) in [myHPA](#) for the most up-to-date information. In addition, a list of [Key Dates](#) (school opening and closures) can also be located on the [Lower School Family Resources](#) tile located in [myHPA](#).

Past Email Communications

All past email communications can be accessed by visiting the [Lower School Family Resources](#) tile on [myHPA](#) and scrolling down to 'Past Parent Email Communications, 2021-2022'.

myHPA

In addition to Seesaw, many important resources can be located on our community portal, [myHPA](#). Two key resource boards that we would like to draw your attention to are the 'Lower School Family Resources' and the 'Return to Campus 2021-2022 Plans and Information'. For [myHPA](#) concerns, please contact help@hpa.edu.

Middle School

From the desk of your Division Principal, Glenn Chickering

Aloha Middle School families! Last week we talked about the importance of sharing our stories as we got ready for our 8th-grade Capstone presentations. Having been through a majority of the presentations as I write this, it is clear that Ha'i'na is such an important vehicle in highlighting how our students modeled the other essential practices in our Malama Kailuulu model; Kuleana (responsibility), Piina (connectedness), and Lokahi (harmony).

We saw projects that connected our students to their peers, to students of all ages at HPA, to school and community gardens around Waimea, to NCO's on the island, to the ecosystems of the island, the moon cycles, and so much more. And we saw our student Ha'i'na these projects with courage and pride in front of their peers, teachers, parents and the wider HPA community. Public speaking can be a nerve-wracking adventure, but our students modeled poise, as they courageously shared their learning, with all its missteps, twists and turns, learning that a pursuit of excellence is not a quest for perfection, but a journey to consistently learn and strive to improve yourself and the world around you with humility and confidence.

As we wrap up the last of our Capstone presentations and then celebrate our students' growth and their development in HPA's Core Skills of collaboration, communication, critical thinking and creativity we are feeling more confident than ever that they are already engaging with their communities in meaningful ways and are ready for the challenges to come in Upper School and beyond.

We are all sending a HUGE mahalo to Mr. Bernstein, our Village Campus Capstone Coordinator, Ms. Sturla, Ms. Kawakami, and Ms. Dewey, or Capstone teachers, and Ms. Monello — our 5th Beatle, who is always there when we need her. Their support and guidance of the students through this process helped our students understand the importance of the skills they were learning and the value of facing obstacles and roadblocks with a "problem-solving" mindset.

With a bow tied onto our 5th and 8th-grade Capstones and 12th-grade showcasing next week, we will be sharing more stories from the students' projects and journey, including compilation of our Capstone projects on our Capstone YouTube channel in next week's All-School Bulletin.

We hope to see you at our [First Annual Earth Day Sustainable Picnic](#) today!

There is lots going on over these final weeks, so please keep your eyes on the "Coming Up" section below.

First up is a movie night for Grades 5 - 8 at GPAC on Wednesday, April 27 from 3:30 to 5:30 pm. The Middle School Student Council polled students from those grades and *Spirited Away* was chosen for the feature. As school dismisses at 2:10 pm on Wednesday, we will not be busing students to the movie. It is ok to drop students off at the movie and pick them up at 5:30 pm, as there will be parent chaperones at GPAC.

We hope you have a great weekend!

Mahalo,
Glenn Chickering
Middle School Principal

Schedule

Our [Middle School 2021-2022 Daily Schedule](#) continues with in-person instruction on our Village Campus on Monday, April 25.

We encourage all families to check the [School Calendar](#) in [myHPA](#) for the most up-to-date information. In addition, a list of [Key Dates](#) (school opening and closures) can also be located on the [Middle School Family Resources](#) tile located in [myHPA](#).

Coming Up

- Wednesday, April 27, 3:30 - 5:30 pm: Grades 5 - 8 Movie Night at GPAC
- Friday, May 6: Grade 8 will visit the Upper Campus for an information session and tour of the campus, followed by the Middle School Performing Arts Showcase at GPAC
- Saturday, May 7, 7:00 - 9:00 pm: Grade 8 Dance
- Monday, May 16: Grade 8 Retreat; regular drop-off and pick-up times
- Wednesday, May 18: Class Retreats for Grades 6 and 7; regular drop-off and pick-up times
- Wednesday, May 18: 8th Grade Transition Ceremony at 10:00 am at the Village Campus; early dismissal for grade 8 students following the ceremony

Past Email Communications

All past email communications can be accessed by visiting the [Middle School Family Resource](#) tile on [myHPA](#) and scrolling down to 'Past Email Communications, 2021-2022'.

myHPA

[myHPA](#) is where you can find [all the resources](#) related to your child's learning. Three key resource boards that we would like to draw your attention to are the 'Middle School Family Resources', 'Middle School Student Resources', and the 'Return to Campus 2021-2022 Plans and Information'.

Edit gallery

Upper School

From the desk of your Po'o Kumu (Division Principal), Ka'ai Spencer

Aloha mai kākou e nā ahe lau makani, we are now in the season of our larger summative assessments. The presentations for our senior Capstone projects will take place next week, followed by exams for AP classes, and followed again by all other final exams and project presentations. Through it all, our student-athletes are balancing their studies with league and HHSAA championships. This can be a tough time for our students — especially if they are dealing with other challenges relating to sickness, injuries, or other unanticipated challenges.

As you may be aware, the COVID-19 virus is still amongst us and we are learning how to live with it. The number of positive cases has risen after the excitement of HPA's Prom and Olympic competitions, and I believe that while some are at home in quarantine, most would do it all over again if given the chance. The hope is to bring things as close to normal while still maintaining community health and safety. Our students have been masked up and separated for a long time and their mental health is of prime importance. Having said that, we also need to do our part to ensure our students are healthy to be able to attend their end-of-year exams and other commitments. Therefore, while we have moved to optional mask wearing for most areas of campus, we have asked our community to wear masks while they are together for larger events that take place in the GPAC theatre and Castle Gymnasium.

I hope everyone understands the difficulty of balancing the desire to return to normal with the responsibility of maintaining the safety of a school community. For those who wish that we return to the requirement of mask-wearing, the option of wearing a mask is always available. On the other hand, removing too many mitigation measures could result in a scramble to accommodate students in quarantine during final exams. It is a quandary that is difficult to manage when in the arena. Mahalo for your continued understanding and support through these unprecedented times.

Ke aloha nō,
Ka'ai Spencer
Upper School Po'o Kumu

Schedule

Our [Upper School 2021-2022 Daily Schedule](#) will resume as an 'Ula day with in-person instruction on our Upper Campus on Monday, April 25.

We encourage all students and families to access the [School Calendar](#) in [myHPA](#) for the most up-to-date information. In addition, a list of Key Dates (school opening and closures) can also be located on the [Upper School Family Resources](#) tile located in [myHPA](#).

Senior Capstone Showcase

Hawai'i Preparatory senior students will be presenting their Capstone projects to our HPA 'ohana and the broader community. The HPA Capstone is a sustained-inquiry, interdisciplinary project that serves as a culminating academic and intellectual experience for students, and represents the pinnacle of learning experiences achieved at the end of each division.

At the showcase, each student will share the culmination of this year's Capstone journey including the various stages in the process, moments of success and challenges, and key personal learning that has occurred.

This year, our seniors will be presenting their work before a live audience in the Gates Performing Arts Center (GPAC) on our Upper Campus. Please complete this [RSVP form](#) if you want to attend any of the presentations and view the full [Presentation Schedule](#) here. We will also stream all presentations on our [HPA YouTube channel](#). Each student has prepared a pre-recorded video presentation that will be followed by a live question and answer session.

The YouTube links for each day are listed below:

- Monday, April 25: <https://youtu.be/aklvpaNLzmM>
- Tuesday, April 26: <https://youtu.be/Yz5F2oRAVM>
- Wednesday, April 27: <https://youtu.be/mczahEjkVso>
- Thursday, April 28: <https://youtu.be/gTqud4EjPs>
- Friday, April 29: https://youtu.be/d_n7p8CkI8

Coming Up

- Monday, April 25 – Friday, April 29: Senior Capstone Showcase, GPAC
- Monday, May 2 – Thursday, May 12: AP Exams
- Friday, May 6, 7 – 9 pm: Junior and Senior Class Dance, Kennedy Square.
- Friday, May 13 – Tuesday, May 17: [Final Exams](#)
- Wednesday, May 18: Last day of classes
- Thursday, May 19: Baccalaureate, Brunch, Senior Awards & Slide Show (for seniors and their two invited guests)
- Friday, May 20: 71st Annual Commencement Ceremony (for seniors and their six invited guests)
- Friday, May 20 – Saturday, May 21: Grad Night (for seniors)
- Saturday, May 21: Dorms close at noon

Student Life

Requirements for AP students

On test day:

Students are expected to attend afternoon classes if they have a morning AP exam. Day students with prior parent approval will have the option to study at home on mornings that they have an afternoon AP exam. Parents must email attendance@hpa.edu and students must check-in at the Student Life Center.

After test day:

Seniors: If the senior student is passing conduct and a parent has signed the senior privileges form, they may be excused* from attending further AP classes after the completion of the AP exam. *This is in accordance with senior privileges approvals.
Freshman-Juniors: Must continue to attend classes through Thursday, May 12.

Student Council Elections for the 2022-2023 academic year!

Elections are underway! HPA staggers their elections to give students the ability to run for more than one position if they don't receive enough votes for their first pick. Our student body has elected:

- All Wawner**: Student Body President
- Izzy Hodges**: Student Body Vice President

Next week, following speeches, students will vote for Executive Dorm Representative, Secretary, and Treasurer. We will have a complete Executive Student Council announcement by Wednesday's end of the day.

Class Representative applications have been completed, and interviews are underway! Each candidate will give a speech during their Class Meeting on April 28, with electronic voting beginning after the speeches. By the end of day Friday, April 29, we will have a newly elected Student Council for the 2022-2023 academic year!

End-of-Year Student Commitments

We are returning to the HPA tradition of having our younger Upper School students assist with our graduation celebrations after classes have ended.

- Freshmen: Campus clean up for graduation on Wednesday, May 18
- Sophomores: Assisting with the Baccalaureate brunch on Thursday, May 19
- Juniors: Decorating Castle Gymnasium for the Commencement ceremony on Thursday, May 19

For more information, please read the email [Important upcoming end-of-year events](#) that was sent on April 20.

Residential Life

We are excited to welcome next year's group of dormitory prefects to their new roles, and grateful to everyone who applied! While not all of the

rising juniors were able to officially join the leadership team for next year, we look forward to seeing their continued growth and leadership in other ways throughout the coming year.

Next week the boarding community will elect its Executive Dormitory Representative to Student Council, and on May 1, we will wrap up our annual Dorm Wars Competition. After these last few weeks of big events, we look forward to dialing in to our studies, and preparing for both the end of year exams, as well as preparing to head home for the summer!

College Counseling

HACAC Spring College Fair

Advanced Placement (AP) Testing

AP Exams will commence Monday, May 2, and continue through Friday, May 13, 2022. A schedule of exams can be found [here](#). Exam dates and testing locations will also be posted near the exit of the dining hall by Monday, April 25. **Accommodations students will be notified of their exam schedule and locations via email.**

Students are required to arrive no later than 30 minutes prior to an exam start time.

If you are a student-athlete and have a school-sanctioned sporting event that conflicts with your AP exam test date(s), let me know as soon as possible so that you may be moved to late testing, which will be during the week of May 16-20, 2022. There are no other testing dates available.

A copy of the AP testing email sent on Thursday, April 21, can be found [here](#).

Juniors and Junior Parents: Our college counseling team is pleased to announce that we are introducing a new system called Scoir (pronounced "score") to help you and your student navigate the college selection and application process.

All juniors have access to Scoir and we have also sent you an email invitation so that you can link to their account. **We will resend this email invitation on Monday, April 25th (the email invitation expires after 7 days).** As a parent or guardian, you will be able to view their profiles, see their college list, conduct your own college searches, and suggest colleges for your student to consider. Scoir also provides parents with financial tools so that you can get a better sense of the cost of attendance at various colleges during the selection process.

We are excited to be able to provide Scoir to our students and families, and we feel confident that you will find it helpful and easy to use. Before you get started, please take a few moments to watch the brief videos below to help you become familiar with how to use Scoir.

Parent Overview

Student Overview

Past Email Communications

All past email communications can be accessed by visiting the [Upper School Family Resources](#) tile on [myHPA](#) and scrolling down to "Past Email Communications, 2021-2022."

myHPA

[myHPA](#) is where you can find [all the resources](#) related to your child's learning. Three key resource boards that we would like to draw your attention to are the Upper School Family Resources, Upper School Student Resources, and the Return to Campus 2021-2022 Plans and Information.

SUMMER AT HPA

HPA has something for everyone during the summer!

Summer at HPA focuses on academic instruction, sports, spectacular outdoor adventures, and a multitude of other activities. Diverse class offerings cover science, humanities, environmental sustainability, creative arts, English language instruction, and much more. Programs are available for K-5 and 6-12. Visit our website for course offerings and more information.

[LEARN MORE](#)

All-School News

Accreditation

We are celebrating the successful conclusion of our school re-accreditation process with high scores and praise from our Hawai'i Association of Independent School (HAIS)/Western Association of Schools and Colleges (WASC) Visiting Committee. As part of HPA's re-accreditation process HPA has spent the last two years engaged in a self-study process culminating in a [2022 Accreditation Self-Study Report](#). The process culminates with a four-day visit from a Visiting Committee, which occurred April 10-12, followed by a presentation and final report with a list of commendations and recommendations and where HPA is rated on 16 different indicators. We are pleased to announce that HPA received "Effective" or "Highly Effective" ratings on all 16 indicators, as well as the self-study process! We will now take the committee's recommendations and use it to build out the school's new Future Planning document for HAIS/WASC approval. A big mahalo to all of the members of the accreditation self-study committees, and those faculty, staff, students, parents, and board members who took the time to provide input through our surveys and attend accreditation events.

Admissions

Thank you to everyone who has indicated their intentions for enrollment for the upcoming 2022-23 academic year! Classes are looking great! If you have friends or family that are still looking for a school for their day or boarding student, please let them know to reach out to our office to inquire about space availability by writing to admissions@hpa.edu. Most classes are full, however, we have select spaces in some specific grades levels in day and boarding and can help them discover options for their family.

Advancement & Alumni

With just a couple of months left in the school year, we are looking to close out strong and meet our million-dollar HPA Fund goal. We are almost there! If you haven't had a chance to make your gift yet, you can [support the Fund here](#). Any amount makes a difference in the student experience. You can learn more about our funding priorities and the impact of your support [here](#). Mahalo!

Health and Wellness

Given the current uptick in COVID-19 cases within our Upper School community, we want to reassure you that we're keeping a close eye on community health and our protocols. Each 'ohana must make their own decisions regarding mask use based on their unique, cumulative, health circumstances. It is important you have a discussion with your 'ohana and decide if opting in to wearing a mask is the best choice for your child(ren) while they are at school.

COVID-19 Communications

We will send COVID-19 Communication emails to the specific class, division, or group identified as needing immediate notification. Otherwise, all updates will appear in the 'COVID-19 Communications' section of the [2021-2022 COVID-19 Plans & Information Resource Board on myHPA](#). Students and families will always have access to this resource board to check daily, should they wish to. This decision was made in an effort to balance our commitment to transparency and accountability with COVID-19 notifications and our desire to limit the number of correspondence families receive daily that may not personally impact them.

Isaacs Art Center

Isaacs Art Center is free and open to the public, Monday through Friday from 10:00 am to 5:00 pm, and on Saturdays by appointment. Gallery works for sale may also be viewed on our [website](#). Be sure to also visit our [Instagram](#) and [Facebook](#) pages for highlights from ongoing exhibitions. Sales from gallery artwork have supported the HPA Financial Aid program since opening in 2004.

Campus Access

During this time, campus access is limited to current students, employees, essential contractors, and approved guests — all of whom have completed a daily thermal/symptom check and a screening questionnaire.

Should a family member of a student need a meeting with a faculty, staff, or administrative team member, kindly contact them so that they can apply to have you come to campus. If approved, they will then send you a COVID-19 questionnaire. From that point, security team members will be alerted to your appointment date and time, and let you onto campus.

At the Upper School, please do not park in the Day Student Parking Lot (DSP/L) and walk-in without an appointment. Similarly, at the Village Campus, kindly call or email for an appointment so that arrangements can be made. Please remember, masks are required on campus at all times when indoors. As a visitor, on either campus, you will be asked for a temperature check. Mahalo for your understanding and respect for this process.

CrisisGo for Parents

It is important that all families are set up with CrisisGo, HPA's school emergency communication tool. To set up a CrisisGo SMS/Email subscription, please click on this [invitation link](#) and complete the form by adding your name, email, and cell number (this is an important step if you would like to receive an SMS message) and click on the Subscribe button. Should an emergency occur you will be alerted by email and SMS messaging.

You can also locate these instructions by logging into myHPA, clicking on the resource tab, and selecting the CrisisGo Safe2SpeakUp tile.

Safe2SpeakUp for Middle and Upper Students

Similarly, Middle and Upper School students received instructions during orientation on how to upload the Safe2SpeakUp app. This is a companion app to CrisisGo. It will allow the school to alert students of emergencies and enable students to communicate with us should there be any behaviors they are concerned about. Students can also locate instructions on setting up Safe2SpeakUp in myHPA.

All students can also submit an Online Bully/Harassment report by [clicking on this link](#), which can also be located on the CrisisGo Safe2SpeakUp tile on myHPA.

'Ohana Association

There is still time to sign-up to show your love and support for our amazing teachers during our Upper School Faculty Appreciation Luncheon on Friday, April 29.

[Sign up here to](#)

- Contribute to the Luncheon
- Provide a gift for our pop-up shop
- Honor our teachers with a lei
- Give the gift of your time by volunteering
- Share your backyard fruit or flowers

Several local store owners including the Waiimea Butcher Shop, Aka Sushi Bar, Kamuela Liquor Store and Earl's have joined in our celebration of HPA faculty by offering discounts on the purchase of gifts for our dedicated staff. Please mention that you are shopping for HPA's Faculty Appreciation to receive special discounts when shopping at these amazing local stores! For parents living off-island, these retailers have agreed to accept phone orders and we have plans to deliver any purchased gifts to campus on the day of the luncheon. For a full list of discount offers, [please visit our sign-up here](#).

Please feel free to reach out to us at ohana_vpupper@hpa.edu with any other questions or suggestions. We are grateful for all of your help in making this day a wonderful celebration for our faculty!

Elections are currently being held for the 2022-2023 academic year 'Ohana Association board positions. Even if you are unable to participate in 'Ohana Association activities directly, your participation in this election demonstrates support for building a strong, vibrant, and inclusive HPA community. [Please help support our HPA 'Ohana by voting here](#). **Voting will close at 9:00 pm HST on Thursday, April 28, 2022.** The results will be announced in the 'Ohana Association section of the [HPA All-School Bulletin](#) on Friday, April 29.

Please be sure to visit the 'Ohana Association section on the [myHPA Resource Page](#) for updates on future events and volunteer opportunities. Stay connected with us by joining the [HPA Parent Resource Hub on Facebook!](#)

2021-2022 COVID-19 Plans & Information

Past HPA communications and other important information can be found on [myHPA](#). We are continuing to make updates to our student and parent resource boards, so please be sure to visit them regularly. For a complete directory of all our health and safety protocols, please review our [2021-2022 COVID-19 Plans and Information](#) tile.
