

# HPA TAYLOR LIBRARY

## VILLAGE CAMPUS LIBRARY NEWS

This Summer check out our very own [Thelma Parker Memorial Public and School Library](#), where they have community events including a fun Summer Reading Program.

### Time for Books to Return!

In the last couple of weeks of school, our Library, will focus on book returning for the summer. Instead of lending books, browsing time will focus on exploring digital resources that can be used over the summer, sharing books, and perhaps adopting some magazines!

### Looking for Some Summer Reading Inspiration?

ALSC, the Association for Library Service to Children, publishes annual reading lists highlighting new and notable books for readers. Take a look at their downloadable lists for the following age ranges:

- [Kindergarten - Grade 2 PDF](#)
- [Grades 3 - 5 PDF](#)
- [Grades 6 - 8 PDF](#)

### Rising Middle School Assigned Summer Reading Books

These book titles were chosen by our MS English educators as excellent summer reads for rising HPA 6th, 7th, and 8th grade students. Each grade level has two books that students will read before starting school in the fall, and bring to class to discuss. To support these assigned readings books have been ordered for purchase.
