

The Application Process

Hawai'i Preparatory Academy has partnered with Clarity Tuition for a streamlined financial aid process for the 2026–2027 academic year. User-friendly interface, quick completion (under 30 minutes), mobile optimization, and automatic IRS data transfer enhance convenience for our families. The application does not need to be completed in a single sitting; you can always save your progress and return later.

Hawai'i Preparatory Academy will notify you of our financial aid decision. While the Clarity application serves as a foundation, we also factor in our school's policy, practices, and budget. For a comprehensive understanding of HPA's financial aid policy, kindly refer to our website.

How to Complete the Application

- Create your account on the [Clarity platform](#).
- Choose Hawai'i Preparatory Academy as the designated recipient school.
- Authorize the secure transfer of your 1040 and W-2 to Clarity by signing into (or creating) your IRS.gov account and signing Form 4506c in Clarity. Make sure your address matches your most recent 1040 for the transfer to be successful.
- Complete the financial entries based on your 2024 taxes and provide your best estimate for 2025.
- For business owners, kindly check the "Documents Requests" section and upload the K1 and business taxes.
- The application fee is \$60, covering all the schools using the Clarity platform to which you apply.

Additional Tips for Successful Completion

- Gather your 2024 1040, W2, or 1099/K1 (if applicable), your mortgage or rental information, any asset account balances, and credit card statements ahead of time, so you have the information you need at your fingertips.
- Share your family's story. The Financial Aid Committee carefully reviews all the financial information you provide, and it is helpful for the Committee to understand any recent changes in family status or significant financial adjustments from year to year. Note sections throughout the application are available for you to provide comments.

- List your "out-of-pocket expenses" for 2025, not listed in other parts of the application, such as legal fees, funeral expenses, tutoring, club fees, athletic camps, music or art lessons, family vacations, or travel expenses.
- International students or non-US tax filers should indicate their status on the application. US tax documents will be waived, and other necessary documents will be posted to their Clarity account.
- Automatic fee waivers are provided directly by Clarity based on family size, income, and assets in the application for eligible families.

Useful Information

- Our school's name: Hawai'i Preparatory Academy
- Contact information for our financial aid office: Sarah Edwards,
sedwards_fa@hpa.edu
- Family Support: Available in English and Spanish; the application itself is also fully translated into Spanish using the drop-down in the lower left corner.
