Aloha Lower School families,

Congratulations and welcome to Hawai'i Preparatory Academy (HPA) Lower School! The 2026-2027 academic year promises to be an exciting one, and we are delighted that your family will be joining our community.

Over the next few months, we will be reaching out with specific information regarding important dates, forms that will need to be completed over the summer, activities during our opening days, and much more to help you plan for your first days at HPA.

Important Lower School Year Dates

We have compiled a list of [HPA Key Dates, 2026-2027](#), for your convenience. **Please refer to the [calendar in myHPA](#) for the most up-to-date events.** *All events are subject to change.*

Please note Intake Conferences, August 11 and 12, as an important time for you and your child to get to know your new grade-level teacher prior to the first day of classes. Sign-up instructions will come from the Village Campus office later in the summer so you can choose the time slot that works best for your family.

Health and Registration Forms

- **Important Health Forms** will be available on our online student medical system, "Magnus Health." An email containing more information on how to access the health management system and upload documents will be sent shortly. As part of enrollment, health forms must be completed in order for your child to attend classes and participate in any activities at HPA. ***These forms are due by August 1, 2026.***
- **School Registration Forms** are available to complete. Please log in to [myHPA](#) and click on the yellow banner at the top of any [myHPA](#) page (a yellow bar will only appear if you have forms to fill out) or by following [these instructions](#). ***These forms are due on August 1, 2026.***
