Aloha Middle School students and families,

The 2026-2027 school year promises to be an exciting one filled with incredible learning, and we are delighted to welcome you and your family to the Hawai'i Preparatory Academy Middle School 'ohana!

Over the next few months, we will reach out with specific information about important dates, forms to complete over the summer, activities during our opening days, and much more to help you plan for your first days at HPA.

Important School Year Dates

We have compiled a list of [HPA Key Dates, 2026-2027](#), for your convenience.

Looking Ahead

As you prepare to join the HPA community, you'll soon be introduced to myHPA—our secure online platform powered by Blackbaud that serves as a central hub for school information, communication, and daily life.

Through myHPA, students and families can access important resources such as class schedules, assignments, grades, announcements, calendars, and school forms. It's also where you'll find key updates from teachers, advisors, and school leadership, helping you stay informed and connected throughout the year.

Our IT team will reach out in June with everything you need to get set up, including login details and step-by-step instructions. For now, we'll provide key information and helpful links, and our team is always here to support you along the way. Once you're in, myHPA will quickly become your go-to resource for navigating life at HPA.

Health and Registration Forms

- **Magnus Health** is our secure online medical system where all required student health forms are submitted and managed. To ensure your child is cleared to attend classes and participate fully in school activities, all forms must be completed by **August 1, 2026**. We'll be in touch soon with detailed instructions and next steps.
- **Registration forms** will also be available in myHPA in June. You can access them through the yellow banner at the top of your screen (this will appear if forms are required). These are also due by **August 1, 2026**.
