CELEBRATING OUR HPA 'OHANA IS WHAT WE DO BEST

Aloha HPA families,

As you prepare to join the Hawaii Preparatory Academy community — or continue exploring what makes HPA so special — [we invite you to experience a glimpse of where the Ka Makani journey leads.](#)

Our Class of 2026 Commencement Exercises offered a powerful reminder of the growth, connection, and purpose that define an HPA education. From joyful celebrations with ‘ohana to meaningful reflections from our graduates, commencement is more than a ceremony — it is the culmination of years of learning, discovery, friendship, and preparation for what comes next.

We hope these highlights offer a window into the spirit of HPA and the bright future that awaits every Ka Makani.

With aloha,

Fred Wawner
Head of School
