Guidelines for Halloween Costumes

These guidelines are developed to allow students to participate in a festive, positive, and supervised activity while maintaining student safety.

- ★ Costumes may **not cause significant disruption or distraction to the school program**. All costumes must follow Hawai‘i Preparatory Academy’s Dress Code policy as outlined in our Handbook.
- ★ No props, equipment, or weapons (real or model) are to be brought to school.
- ★ No costumes are allowed that **completely** hide the identity of the student, i.e. gorilla suit, masked fantasy characters from video games or movies, etc.
- ★ Costumes must be able to **comfortably fit through a standard doorway** without assistance.
- ★ Be sensitive to the identities of others; culture is not a costume.

Please contact Ms. Kwong or Mr. Cservenak if you have questions.
